BMHR Workday News & Highlights – March 7, 2015

Several members were on hand for the March 7 work day to continue the steady progress on several maintenance, scenery and layout projects. Thanks to Bob Hilliard for the lunch and to all who helped make the day both productive and fun!! dts

Unsung hero, Al Maiella, keeps the tracks clean

“Fine” trestle work by our Chief Engineer, Bob Boland

Bob Freeman adjusting the heating vents. In spite of the cold weather, the club has been too hot.

Bobby Santini and Ralph Grabowski experimented with tinting of Sculptamold
